CHILD SAFE CODE OF CONDUCT

1. BACKGROUND

The Child Safe Code of Conduct outlines appropriate standards of behaviour towards students for all adults in the Xavier College environment, and the College's expectations for compliance. It serves to protect students, reduce any opportunities for abuse or harm to occur, and promote child safety in the College environment. It provides guidance on how to best support students and how to avoid or better manage difficult situations.

2. STATEMENT OF COMMITMENT

The College has zero tolerance for child abuse and is committed to acting in our students best interests and keeping them safe from harm. The College regards its child safety responsibilities with the utmost importance. It is committed to providing the necessary resources to ensure compliance with all relevant child safety and protection laws and regulations and to uphold a child safe culture at all times.

Child abuse includes sexual offences, grooming, physical violence, serious emotional or psychological harm, serious neglect, and a child's exposure to family violence.

The College is committed to the protection of all children from all forms of child abuse and demonstrates this commitment through the implementation of a comprehensive Child Safety Program designed to keep children safe. Further, students at the College, through our actions, processes, and support, are empowered to have voice and to take action for their own care.

3. SCOPE

This Policy applies to all College employees (partners in mission), Jesuits, directors, students, parents, and guardians, third party service providers, volunteers, visitors, and contractors involved in the College environment. (together referred to as 'the College Community for the purpose of the Child Safe Code of Conduct).

The Child Safe Code of Conduct applies in all College and Boarding House Staff environments. College and Boarding House Staff environments include the following physical, virtual, and online places used by a student or a boarding student at any time:

- a campus of the College
- online or virtual College and Boarding House Staff places made available or authorised by the College Board (or the Principal or the Head of Boarding on its behalf) for use by a student (including email, intranet systems, software applications, collaboration tools and online services)

 - sporting events, excursions, competitions, and other events.

Some staff members, Volunteers and Contractors at the College may have other professional or occupational codes of conduct that regulate their profession or occupation. These codes of conduct must also be complied with. If a staff member, volunteer, or contractor considers that there is a conflict between their professional or occupational code of conduct and the Child Safe Code of Conduct in a particular matter, they must seek advice from their professional or occupational regulatory body and/or a Child Safety Lead and must advise the Principal or the Head of Boarding of their proposed course of action.

5. AGREEMENT TO THE CHILD SAFE CODE OF CONDUCT

The College provides a copy of the Child Safe Code of Conduct to all Staff, relevant volunteers, and relevant contractors at induction, or otherwise prior to them commencing work at the College. The College also communicates it via refresher training at regular intervals for all Staff, as well as direct contact volunteers.

All Staff, as well as direct contact and regular volunteers must acknowledge in writing or online/electronically that they have read and agree to adhere to the Child Safe Code of Conduct prior to commencing work at the College.

The Child Safe Code of Conduct forms part of the contract between the College and any direct contact and regular contractors. Therefore, all direct contact and regular contractors are deemed to have agreed to adhere to the Child Safe Code of Conduct on signing the contract or on commencing work at the College.

6. THE CHILD SAFE CODE OF CONDUCT AND REPORTABLE CONDUCT

Our Child Protection Codes of Conduct outline expected standards of behaviour for all Staff at the College. However, breaches of these Codes of Conduct will not always be Reportable Conduct. For example, a volunteer accepting a social media 'friend' request from a student would be a breach of our Child Protection Codes of Conduct but may not amount to Reportable Conduct.

These kinds of breaches of our Child Protection Codes of Conduct can be dealt with at the College level and the College does not need to report them to the Commission for Children and Young People.

For more information, refer to our Reportable Conduct policies and procedures.

7. CONSEQUENCES FOR BREACHING THE CHILD SAFE CODE OF CONDUCT

Staff, including the Principal and Executive, volunteers and contractors who breach this Code of Conduct may be subject to disciplinary actions that may result in a range of measures including (depending on the severity of the breach):

- remedial education
- counselling
- increased supervision
- the restriction of duties
- appointment to an alternate role
- suspension
- in the case of serious breaches, termination of employment, contract, or engagement.

Where any other member of the College Community breaches any obligation, duty or responsibility within our Child Safe Code of Conduct, The College will take appropriate action (School Community Safety Orders).

8. REPORT ANY CONCERNS

Whenever there are concerns that a child or young person is in immediate danger, call the Police on 000.

9. STAFF

It is the College's policy that any breach of the Child Safe Code of Conduct is a child safety incident. Therefore, all staff, direct contact and regular volunteers, and direct contact and regular contractors who witness, or suspect, any breach of this Code of Conduct must report their concern internally to a Child Safety Lead or the Principal. Where the child safety incident or concern involves the Principal, internal reports should instead be made to the Xavier Chair of the Board by calling Xavier College.

Staff who, in good faith, make an internal report alleging a breach of the Child Safe Code of Conduct will be protected from victimisation or other adverse consequences.

Note that reporting internally does not change any obligation that Staff may have under legislation to report to an external authority.

Our Child Protection Program includes information for staff, volunteers, and contractors about how to identify key indicators of child abuse or other harm and how to report child safety incidents or concerns to relevant external authorities. For more information, refer to our procedures for Procedures for Responding to and Reporting Child Safety Incidents or Concerns.

10. STUDENTS

Students who are the victim of, or who witness or suspect a breach of the Child Safe Code of Conduct can:

Parents/carers, family members or other community members who witness or suspect that there has been a breach of the Child Safe Code of Conduct, or have concerns that a child or young person associated with the College may be subject to abuse or harm from a member of staff, a volunteer, or a contractor, should contact:
